At the Club...

In 1916 the Professional Golfers' Association was founded by 34 golf professionals and within the century has evolved into the largest working sports organization in the world. Now comprised of over 28,000 men and women dedicated to promoting the game of golf, the PGA has 41 sections across America. The North Texas Professional Golfers' Association has more than 850 members and covers the geographical territory of the State of Texas starting just north of Austin. Our Director of Golf, Jason Hase is the Vice President of the NTPGA, eventually to become the President. Jason, along with current President Tony Martinez, recently accepted the national Herb Graffis Award on behalf of the NTPGA delegation. The Herb Graffis Award is designed

to recognize a PGA of America Section for extraordinary and exemplary contributions and achievements in the area of Player Development. Along with this honor, Jason also received the Bill Strausbaugh Award, a regional award the NTPGA presents it's subchapters (East, Metro, and West Texas Chapters). The Bill Strausbaugh Award is designed to recognize PGA Professionals who by their day-to-day efforts have distinguished themselves by mentoring their fellow PGA Professionals in improving their employment situations and through service to the community. So when you see Jason around the Club, please be sure to thank him for his unrelenting dedication to promoting the game golf to not only juniors and our members, but to his peers and our community!!
