Howdy Members!

I cannot tell you how much I have enjoyed getting to know our members here at the Club since I came on board in April. It has truly been a pleasure, and I look forward to another exciting year. We are currently working on upcoming activities for the spring. If you have any ideas of activities you would like to see at your Club, give me a call! I love to hear from members.

Are you a golfer? Have you signed up for the Signature Gold program our Club offers? You can get complimentary green fees and meals at a variety of clubs throughout the nation! Give me a call and I would be happy to give you the details! 325-651-7227

Please do not hesitate to give me a call if you have any questions, concerns, or comments about the Club.

Cart Traffic in the Winter

As winter drags on and spring looms, golfers are itching to get out on the golf course when mother nature cooperates. Winter is an important time for the golf course to build a strong base going into the spring and summer season. Heavy traffic in the winter compresses the turf and sets the stage for thin surface conditions throughout the spring and summer. Restricting cart traffic as much as possible and adhering to the restrictions will help to build a stronger turf and superior playing conditions during the season.

Keeping carts 30 yards from greens and on cart paths around tee boxes will help to ensure the health of the turf for the entire season.

Member Golf Trips

The Professional staff at San Angelo Country Club is interested in hosting a Member golf trip to Lajitas Golf Resort in Lajitas Texas this coming spring. The trip would include 3 days and 3 nights at the resort. The resort includes:

- Golf at Black Jack's Crossing
- Agave Spa
- Shooting Activities
- Equestrian Center
- Mountain Biking
- Jeep Rentals
- And much more!

For more information on this trip, or to provide feedback, please contact Jason or Alayne in the golf shop at 651-7395
