# Employee Spotlight

## Greg Koehn

Greg Koehn started working on the golf course the summer after he graduated from Wall in 1992. He worked part time while going to ASU. After graduation, Greg left, but returned after one year. By 2001, Greg had worked his way up to be Jim's assistant and has become an integral part of the golf course maintenance staff. His primary duties are helping keep the irrigation system running, checking greens daily for soil moisture, changing cups, spraying, and anything else that needs to be done.

Greg has been married almost 10 years to his wife Katie. They have

three boys: Trevor who is 8, Jake who is 6, and Colston who is 3.

In all the years Greg has worked at the club, he has never been late a single time. This speaks volumes to his character and dependability. His quiet and unassuming personality could often be over looked, except by those who know him and see the quality of work that he produces. We are blessed to have him as an employee of San Angelo Country Club, if you see

Greg around the Club, please be sure to thank him for his dedicated service!
