Employee Spotlight

Kaela Raffel

Our employee spotlight for the month of November is Kaela Raffel! Kaela originally began working at the Club in 2012 as a waitress. Shortly after, she was promoted to floor manager due to her hard work and diligence. Kaela **did** leave San Angelo and the Club for **some** time to pursue other opportunities but moved back before long to be with her family. She was recently working at a local restaurant when Curtis decided to pursue Kaela in hopes of bolstering your Food and Beverage team. She came back to the Club in 2017 and has been a huge help ever since. "Kaela is a jack of all trades and is willing to help with anything that needs to be done. From manual labor such as snaking kitchen drains and carrying furniture to handcrafting great cocktails, she can do most anything. I am very glad we have her back at the Club and she has been a great addition," says Curtis. Kaela enjoys having a cold one with family and friends, the Dallas Cowboys, and helping raise her stepdaughter Aubree. Next time you see Kaela at the Club, be sure to give her a high five!

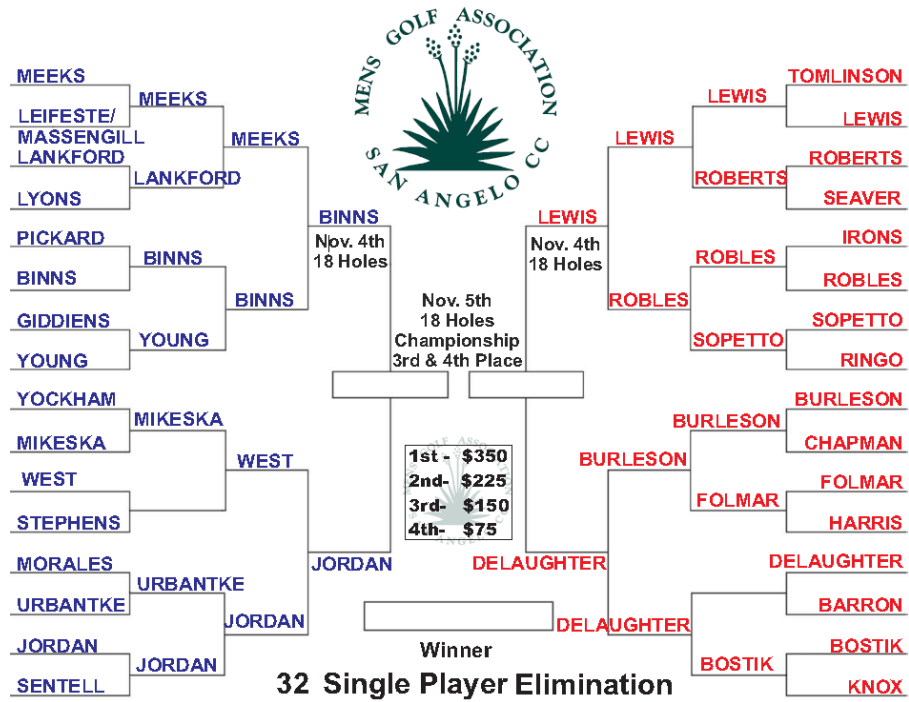

Irrigation System Update

The Golf Course is being flagged for irrigation. Please do not disturb or remove any of the flags out on the course. The Golf Shop will inform you daily before you tee off which holes will be closed. The restrooms at the Halfway House will be "Out of Order" until further notice. The bridge and dam project on Hole #6 is being postponed. As always, if you have any questions please feel free to ask! We know the inconvenience in the coming months will be worth it in the end and we appreciate your continued support!

TENNIS NEWS

Congratulations to Marco Flores on winning the San Angelo Challenger in the Boy's 10 & Under division!!

Tennis Tip:

"Stretching before match play"

It is always important to stretch before you play, but I tend to see more muscle pulls in the cooler months. We seem to have had an inordinate amount of calf injuries in recent years. Physical therapists are even calling it tennis calf! It always seems to be the same type of thing. A player runs forward for a short ball and feels a snap at the back of the calf. This has tended to be a 6 to 8 week injury and can be avoided by some simple stretching. There also seems to be some debate between "static" and "dynamic" stretching. I have found that a combination of the two is a good idea. Please make stretching a part of your pre-match warm up to avoid injuries. Call the tennis shop if you would like any information on stretching.

See you at the courts,

Will

Marco is 8 years old and has been competing against kids that are a couple of years older than he is. He broke through with his first tournament win in October with a convincing 4-0, 4-1 victory in the finals! Marco has been working very hard on his tennis game and that hard work paid off at the Challenger. We are expecting big things from Marco in the years to come!

Leagues

We currently have a 3.0/3.5 League on Tuesday evenings. We will be winding it down around mid-November. We will start up a new round of leagues after the new year. If you are interested in playing in a league please call the Tennis shop.
